\*\*\*\* WORTHLESS WAIVER \*\*\*\*

I am an adult according to my birth certificate and I understand that hashing is an adult activity where alcohol is involved. Accidents and incidents can happen and if these things happen I understand that I might get hurt, possibly seriously. I also understand that participation in these events are voluntary, and that if I get hurt, or disfigured, or impregnated, IT'S MY OWN DAMN FAULT. I acknowledge that the Happy Heretics have no liability to me and they know all the judges. I have never sued anyone over a hash-related event.

**I KNOW THAT I WILL BE DRUNK AFTER THE PUB CRAWL AND THAT I AM RESPONSIBLE FOR ARRANGING MY TRANSPORTATION AFTERWARD.**
